The Ohio Revised Code has tasked the Ohio Department of Public Safety, with specific responsibilities with respect to public safety. Section 5502.01 of the Ohio Revised Code states in part, "...The department shall compile, analyze, and publish statistics relative to motor vehicle accidents and the causes of them, prepare and conduct educational programs for the purpose of promoting safety in the operation of motor vehicles on the highways, and conduct research and studies for the purpose of promoting safety on the highways of this state..."

Information provided on this website represents traffic crash data and supporting information from the Ohio Department of Public Safety's (ODPS) Electronic Crash Submission (ECS) database. Data presented has been recorded from the crash report forms as submitted to ODPS by reporting agencies for the calendar year requested. Data files used to generate the reports are subject to changes over time due to continuing efforts to assure the data contained therein is as accurate as possible. As such, some details of these reports may not be duplicable from the current ECS data files.

Data varies because data for the current year is constantly being submitted to ODPS, the report results may vary from hour-to-hour, therefore ODPS cannot be held responsible for any action taken based on the reports generated by the data provided.

CSV file data will be sent to you within 24 hours in a CSV file to the email address that you provide.

Step 5: You may download all files or click individually. The file format is CSV.

The **difference between CSV** and **XLS** file formats is that **CSV** format is a plain text format in which values are separated by commas (Comma Separated Values), while **XLS** file format is an **Excel** Sheets binary file format which holds information about all the worksheets in a file, including both content and formatting.

The screenshot shows a web interface for file sharing. At the top left is the logo for VARONIS DATANYWHERE. Below the logo, a message states: "The following item(s) have been sent to you by Ohio State Highway Patrol". There is a "Download all" button on the left and a search box on the right with the text "Link will expire on 1/19/2019 05:09". Below this is a folder icon and the ID "OH190108134709519HSHO1E". A table lists the files:
